II. REMARKS AND CONCLUSION

The applicant thanks the examiner for amending the claims via an Examiner's Amendment. The applicant notes, however, that there are minor typographical errors in claim 11:
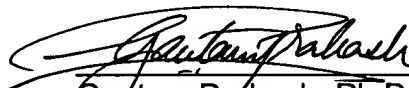

1. the general structure of formula I is $A\text{-}B\text{-}C\text{-}NO_2$ instead of $A\text{-}B\text{-}C\text{-}N(O)_2$;

2. R-T1- is corrected to $R\text{-}T_1\text{-}$;

3. T1 is corrected to T_1; and

4. 0 is corrected to O.

Support for these amendments can be found in the specification as filed (see, for example, page 7). Therefore the applicants believe that no new matter is added.

The applicant respectfully requests entry of this Amendment under 37 C.F.R. §1.312, in that the amendment to claim 11 is made prior to payment of the issue fee and does not require a new search or examination of the allowed claims. The applicant believes that no fee is due. If a fee is required, it may be charged to Deposit Account No. 01-2300, referencing Attorney Docket No. 026220-00013.

Respectfully submitted,
